

Dear Families

I hope you have managed to find some time to relax and enjoy the Easter break.

Yesterday, we provided guidance to students about how learning will look differently this summer term. We are determined to improve our curriculum provision - feedback from parents and our students continues to be highly valued.

In order to enrich learning further, I would like to highlight the following web-sites that you may find useful:

- **List of on line education resources for home education**

- **BBC Bitesize Daily (with 3 new lessons every day with videos and activities)**

- **Oak National Academy (sequenced video lessons with activities)**

Please encourage your child to continue keeping in touch with their teachers.

Thank you for your continued support.

Kind regards
