

Chestnut Grove Academy

# Sixth Form Course Guide 2021 Entry

## Intent

The Chestnut Grove *curriculum* provides a *rigorous, knowledge-rich, transformational education*, encapsulated through our *PROUD (Positive, Resilient, Open-minded, Unified, Determined) values*, which prepares our students to succeed at university, thrive in employment and *lead fulfilling lives*. It is the embodiment of our ethos of a *creative learning community*, which marries *traditional* with *dynamic approaches to teaching and learning*.

Dear Applicant,

Success at Key Stage 5 is about attracting the right student to the right course. At Chestnut Grove Academy we have produced this booklet to help students, and their families, select appropriate pathways to unlock their futures.

Each page contains information about courses which we will **hopefully** be able to offer within the Sixth Form next academic year. This will be dependent upon the popularity of the course, staffing limitations, timetabling constraints and any further developments in changes to progress measures reported to the DfE. In such a shifting landscape, the purpose of this booklet is to identify our likely provision for 2021-2022.

The structure of each course is clearly outlined with specific guidance about the type of qualification which will be attained, any possible entry requirements which must be met, the method of assessment and the number of lessons per week a student can expect to be taught. I hope this will prove useful in guiding candidates appropriately.

### **An Expanding Sixth Form:**

At all times we endeavour to put the needs of the students first and will be undertaking a full curriculum review in light of what students are opting for. At the interview stage in January, each applicant will have a clearer idea of subjects definitely running and a full discussion with either the Director or Head of Sixth Form about the feasibility of their preferred choices, based upon their predicted grades at GCSE. Following the interview stage, each applicant will be invited to attend a compulsory Induction Programme later in the year (COVID permitting) where our ethos and expectations will be explained in greater detail, including those relating to attendance and punctuality.

### **Links to Parents:**

Links with our parents are maintained via the Sixth Form tutor team and via our robust monitoring and reporting systems, which track student progress over time against Academy targets, based on prior attainment at Key Stage 4. Parents' Evenings continue into the Sixth Form and provide an opportunity for parents to speak with subject staff. In addition, the Sixth Form Parent-Tutor Evening held in October to sign off the 'Probationary Passport' ensures a dialogue between home and the Academy to ease the transition from year 11 into year 12. This also encourages students to develop the routines of study necessary to become effective independent learners.

### **Ethos:**

The Academy's ethos of inclusivity and support is wedded to creating an academically demanding and socially challenging experience for all. Our moral purpose is to produce intellectually curious young adults, equipped to deal with the demands of a fast changing world and confident enough to play a full and active part as citizens within it.

### **Available Pathways:**

Students may choose from the following options:

- 4 A Levels and an EPQ (Extended Project Qualification)
- 3 A Levels and an EPQ
- 3 A Levels
- A mixed diet of A Levels and BTEC Level 3 qualifications
- A specific BTEC Level 3 route
- A specific BTEC Level 2 route, with retake GCSE Maths and/or GCSE English where needed.

N.B. Only students with Attainment 8 scores in excess of 80 will be considered for following 4 A Levels. Please be advised that students are better off achieving 3 high grades at A Level, rather than 4 diluted ones.

**Entry requirements:**

For most A Level or BTEC Level 3 courses we would expect a student to have achieved at least 5+ 9-4 passes at GCSE, including English and Mathematics. Applicants for these subjects will preferably have at least a grade 6 in the subject at GCSE or Merit at BTEC Level 2, although for some subjects like Mathematics and Further Mathematics the expectation may be even higher.

**Deadline for receipt of completed applications forms:**

The deadline for completed application forms to be returned by is **Friday 11<sup>th</sup> December 2020.** Applications received after this date will be considered on a case by case basis, with names added to a waiting list. Please return all completed applications forms to The Sixth Form Administrator.

I hope you will carefully consider what we have to offer at Chestnut Grove Academy and that you will submit an early application.

**Jonathan Taylor**  
**Deputy Headteacher**  
**Director of Sixth Form**

**Year 12 BTEC Level 2  
and  
Retake GCSE English  
and Mathematics  
Course Information**

# Business: BTEC Level 2 Technical Certificate in Business Administration

TYPE OF QUALIFICATION	Edexcel BTEC Level 2 Technical Certificate in Business Administration
LEVEL OF ENTRY	Less than 5 subjects at grade 4 or above at GCSE (grades are typically 2/3/4)
METHOD OF ASSESSMENT	Coursework, controlled assessment and written examination
LENGTH OF COURSE & NUMBER OF LESSONS PER CYCLE	1 year, with 5 lessons per week

## COURSE STRUCTURE:

Level	Unit	Title	Grade Weighting
Level 2	Unit 1 (onscreen test, set and marked by Pearson)	Understanding Administrative Services	25%
Level 2	Unit 2	Providing Administrative Services	25%
Level 2	Unit 3	Using Business Technology to Process and Communicate Information	25%
Level 2	Unit 4 (Internal Synoptic)	Planning, Organising and Supporting Business Events	25%

## WHICH SKILLS WILL YOU ACQUIRE?

- Business administration skills
- Project management
- Communication and presentation skills
- Time management and organisational skills

## WHICH CAREER PATHWAYS EXIST AFTER STUDYING THIS SUBJECT?

Achieving this qualification will give learners an advantage when applying for a job in business administration. The types of role they will be ready for are:

- Business administrator
- Administrative assistant
- Office administrator

When studied as part of a full study programme, this qualification also gives learners a sound basis to progress further in a business administrative role, and to a Level 3 qualification such as a BTEC Level 3 National Extended Diploma in Business, a BTEC Level 3 National Diploma in Enterprise and Entrepreneurship or a BTEC Level 3 Diploma in a Tech Level qualification.

## WHICH SUBJECTS COMPLEMENT THIS COURSE?

- IT
- Mathematics

# ICT: BTEC Level 2 Technical Certificate in IT Support

TYPE OF QUALIFICATION	Edexcel BTEC Level 2 Technical Certificate in IT Support
LEVEL OF ENTRY	Less than 5 subjects at grade 4 or above at GCSE (grades are typically 2/3/4)
METHOD OF ASSESSMENT	Summative project and practical examination
LENGTH OF COURSE & NUMBER OF LESSONS PER CYCLE	1 year, with 5 lessons per week

## COURSE STRUCTURE:

Unit	Unit name	Assessment	Grade Weighting
Unit 1	Set Up and Configure Technology Systems	Coursework	25%
Unit 2	Exploring Current and Emerging Technologies	Coursework	25%
Unit 3	Security Protection and Risk Management	Onscreen test set and marked by Pearson	25%
Unit 4	Working as an IT Support Technician	Internal Synoptic	25%

## WHICH SKILLS WILL YOU ACQUIRE?

- Talking to clients to get details of faults
- Deducing reasons for faults and explaining them to the client
- Setting up new equipment and upgrading existing systems
- Testing and servicing equipment recording problems
- Working as part of a team to support business it networked and online features and functions

## WHICH CAREER PATHWAYS EXIST AFTER STUDYING THIS SUBJECT?

Achieving this qualification will give learners an advantage when applying for a job in IT. The types of role they will be ready for are:

- IT security support technician
- Helpdesk administrator
- IT service desk support
- Customer support technician.

When studied as part of a full study programme, this qualification also gives learners a sound basis to progress further in the IT sector or to a Level 3 qualification such as a BTEC Level 3 qualification in IT, computing or engineering, or a Level 3 digital apprenticeship.

## WHICH SUBJECTS COMPLEMENT THIS COURSE?

- Business
- Mathematics

# Sport: BTEC Level 2 Technical Diploma in Sport and Activity Leaders

TYPE OF QUALIFICATION	Edexcel BTEC Level 2 Technical Diploma in Sport and Activity Leaders
LEVEL OF ENTRY	Less than 5 subjects at grade 4 or above at GCSE (grades are typically 2/3/4)
METHOD OF ASSESSMENT	Summative project and practical examination
LENGTH OF COURSE & NUMBER OF LESSONS PER CYCLE	1 year, with 5 lessons per week

## COURSE STRUCTURE:

Unit	Unit name	Type	Guided Learning Hours
Unit 1	Leading Sport Safely and Effectively	Mandatory	60
Unit 2	Working in Sport and Activity Leadership	Mandatory	60
Unit 3	Leading Sport and Physical Activity	Mandatory	60
Unit 4	Coaching Sport	Mandatory	30
Unit 5	Developing Skills for Sport and Activity Leadership	Mandatory	60
Unit 6	Getting Others Active Outdoors	Optional	30
Unit 7	Leading Different Groups	Optional	30
Unit 8	Delivering a Sports Activity Event	Mandatory	60

Learners are required to complete and achieve all mandatory units and one optional unit in the qualification.

## WHICH SKILLS WILL YOU ACQUIRE?

Most of the content of the qualification is mandatory and relates directly to the skills, knowledge and behaviours expected by employers in the leisure sector of a sport and activity leader. The areas covered include:

- Working in sport and activity leadership
- Leading sport and activity safely and effectively
- Leading sport and physical activity
- Coaching sport
- Developing skills for sport and activity leadership
- Delivering a sports event

Additionally learners will be able to choose between one of two optional units.

## WHICH CAREER PATHWAYS EXIST AFTER STUDYING THIS SUBJECT?

This qualification is for learners who want to start a career in sport and physical activity. It is designed for post-16 learners and can be taken as part of a wider study programme. It is an ideal qualification for learners intending to progress directly to employment in sport and activity leadership, or to an apprenticeship.

## WHICH SUBJECTS COMPLEMENT THIS COURSE?

- Business
- Mathematics/English

# English Language GCSE Retake

TYPE OF QUALIFICATION	Edexcel GCSE English Language
LEVEL OF ENTRY	Grade 3 or below in GCSE English Language
METHOD OF ASSESSMENT	100% written examination on unseen texts
LENGTH OF COURSE & NUMBER OF LESSONS PER CYCLE	3 lessons per week November entry, followed by June entry

## COURSE STRUCTURE:

Level	Unit	Title	Grade Weighting
GCSE	Paper 1	Fiction	40%
GCSE	Paper 2	Non-Fiction	60%

## WHICH SKILLS WILL YOU ACQUIRE?

- Analytic skills: how texts are constructed and how they influence readers
- Thinking skills: how think critically and justify your views with evidence, including evidence from wider reading
- Thinking skills: an appreciation of plurality of perspective in literature
- Writing skills: how to develop and express your own opinions and experiences, creatively and critically
- Writing skills: how to write with precision, coherence and clarity of expression

## WHICH CAREER PATHWAYS EXIST AFTER STUDYING THIS SUBJECT?

- It is a core qualification for all future careers and entry into the workplace and education.

## WHICH SUBJECTS COMPLEMENT THIS COURSE?

- It is crucial for all subjects.

# Mathematics GCSE Retake

TYPE OF QUALIFICATION	Edexcel GCSE in Mathematics
LEVEL OF ENTRY	Grade 3 or below in GCSE Mathematics
METHOD OF ASSESSMENT	100% written examination
LENGTH OF COURSE & NUMBER OF LESSONS PER CYCLE	3 lessons per week November entry, followed by June entry

## COURSE STRUCTURE:

Level	Unit	Title	Grade Weighting
GCSE	Paper 1	Non-Calculator	1/3
GCSE	Paper 2	Calculator	1/3
GCSE	Paper 3	Problem Solving	1/3

## WHICH SKILLS WILL YOU ACQUIRE?

- Problem-solving
- Deductive reasoning
- Numerical reasoning
- Abstract thought
- Critical analysis
- Data analysis

## WHICH CAREER PATHWAYS EXIST AFTER STUDYING THIS SUBJECT?

- Any university or further education course

## WHICH SUBJECTS COMPLEMENT THIS COURSE?

- It is crucial for most subjects.

**Year 12 and Year 13  
A Level and  
Level 3 Vocational  
Course Information**

# Applied Science: BTEC Level 3 Extended Certificate

TYPE OF QUALIFICATION	Edexcel BTEC Extended Certificate in Applied Science 1 A Level equivalent
LEVEL OF ENTRY	5+ 9-5 passes at GCSE, including at least 5-5 grade in Combined Science, or two grade 5s in Triple Science, 5 in Maths & 5 in English
METHOD OF ASSESSMENT	Written examination 58% and coursework 42%
LENGTH OF COURSE & NUMBER OF LESSONS PER CYCLE	2 years, 5 lessons per week

## COURSE STRUCTURE:

Level	Unit	Title	Form of assessment	Grade Weighting
Certificate	Unit 1	Principles & applications	Exam	25%
Certificate	Unit 2	Practical scientific procedures & techniques	Internal assignment	25%
Extended Certificate	Unit 3	Science investigation skills	Controlled assessment	33%
Extended Certificate	Option Unit	TBC – Biology based	Internal assignment	17%

## WHICH SKILLS WILL YOU ACQUIRE?

- Problem solving
- Application of mathematical techniques
- How to present data
- Ability to evaluate & draw conclusions from data
- Practical techniques

## WHICH CAREER PATHWAYS EXIST AFTER STUDYING THIS SUBJECT?

- Health care
- Forensics
- Sports Science
- Technician

## WHICH SUBJECTS COMPLEMENT THIS COURSE?

- Computing
- Physical education

# Art

TYPE OF QUALIFICATION	Edexcel A Level Art
LEVEL OF ENTRY	5+ 9-4 passes at GCSE, preferably with grade 6 in Art
METHOD OF ASSESSMENT	Examination and coursework
LENGTH OF COURSE & NUMBER OF LESSONS PER CYCLE	2 year A Level, with 5 lessons per week

## COURSE STRUCTURE:

Level	Unit	Title	Grade Weighting
A Level	Unit 1 (Coursework)	Personal Investigation	60%
A Level	Unit 2 (Exam)	Externally set exam question	40%

## WHICH SKILLS WILL YOU ACQUIRE?

- Knowledge and understanding of contextual studies
- Ability to work with a range of artistic processes and techniques
- Ability to write with analytical about artists work
- Ability to develop personal investigations form a range of different sources
- Ability to explore the limitations of processes and ideas through experimentation and testing

## WHICH CAREER PATHWAYS EXIST AFTER STUDYING THIS SUBJECT?

- Set designer (film/theatre)
- Architect
- Interior designer
- Artist
- Teaching
- Fashion industry
- Illustrator
- Games designer
- Graphic designer

## WHICH SUBJECTS COMPLEMENT THIS COURSE?

- English
- History
- DT
- Film Studies
- Media Studies
- Music
- Performing Arts

# Biology

TYPE OF QUALIFICATION	AQA A Level Biology
LEVEL OF ENTRY	5+ 9-4 passes at GCSE, preferably with grade 6-6 in Combined Science or 2 grade 6s in Triple Science including a grade 6 in Biology and a grade 6 in Mathematics
METHOD OF ASSESSMENT	Written examination and practical endorsement
LENGTH OF COURSE & NUMBER OF LESSONS PER CYCLE	2 year A Level, with 5 lessons per week

**(COVID permitting) There is a compulsory field trip to complete practical work as part of the Biology course that takes place in year 12 cost in the past has been £360.**

## COURSE STRUCTURE:

Year covered	Unit	Title
Year 12	Unit 1	Biological molecules
Year 12	Unit 2	Cells
Year 12	Unit 3	Organisms & exchange
Year 12	Unit 4	Genetic information, variation & relationships between organisms
Year 13	Unit 5	Energy transfers in and between organisms
Year 13	Unit 6	Organisms respond to changes in their internal and external environments
Year 13	Unit 7	Genetics, populations, evolution and ecosystems
Year 13	Unit 8	The control of gene expression

## WHICH SKILLS WILL YOU ACQUIRE?

- Problem solving
- Application of mathematical techniques
- How to present data
- Ability to evaluate & draw conclusions from data
- Practical techniques

## WHICH CAREER PATHWAYS EXIST AFTER STUDYING THIS SUBJECT?

- Zoologist, park warden
- Environmental work
- Healthcare
- Plant scientist
- War defence

## WHICH SUBJECTS COMPLEMENT THIS COURSE?

- Chemistry
- Maths
- Physical education
- Psychology

# Business: BTEC Level 3 Extended Certificate

TYPE OF QUALIFICATION	Edexcel BTEC Level 3 Extended Certificate in Business 1 A Level equivalent
LEVEL OF ENTRY	5+ 9-4 passes at GCSE, preferably with a Merit in BTEC Business at Level 2
METHOD OF ASSESSMENT	Coursework and written examination
LENGTH OF COURSE & NUMBER OF LESSONS PER CYCLE	2 years, with 5 lessons per week

## COURSE STRUCTURE:

Level	Unit	Title	Guided Learning Hours
Level 3	Unit 1	Exploring Business	90
Level 3	Unit 2	Developing a Marketing Campaign	90
Level 3	Unit 3	Personal Business Finance (external examination)	120
Level 3	Unit 22	Market Research	60

## WHICH SKILLS WILL YOU ACQUIRE?

- Communication skills
- Presentation skills
- Mathematical skills
- Time management skills
- Organisational skills

## WHICH CAREER PATHWAYS EXIST AFTER STUDYING THIS SUBJECT?

The BTEC Extended Certificate in Business provides a route to employment into the many diverse areas of business. These could include: roles in specialist areas such as management, marketing, finance, customer service or human resources in large organisations. When combined with other qualifications, the BTEC Extended Certificate is also a route of entry into university.

## WHICH SUBJECTS COMPLEMENT THIS COURSE?

- Computing
- Mathematics
- Media Studies
- Sport

# Business: BTEC Level 3 Diploma

TYPE OF QUALIFICATION	Edexcel BTEC Level 3 Diploma in Business 2 A Level equivalent
LEVEL OF ENTRY	5+ 9-4 passes at GCSE, preferably with a Merit in BTEC Business at Level 2
METHOD OF ASSESSMENT	Coursework and written examination
LENGTH OF COURSE & NUMBER OF LESSONS PER CYCLE	2 years, with 10 lessons per week

## COURSE STRUCTURE:

Level	Unit	Title	Guided Learning Hours
Level 3	Unit 1	Exploring Business	90
Level 3	Unit 2	Developing a Marketing Campaign	90
Level 3	Unit 3	Personal and Business Finance (external examination)	120
Level 3	Unit 4	Managing an Event	90
Level 3	Unit 5	International Business	90
Level 3	Unit 6	Principles of Management	120
Level 3	Unit 8	Recruitment and Selection in business	60
Level 3	Unit 22	Market Research	60

## WHICH SKILLS WILL YOU ACQUIRE?

- Communication skills
- Presentation skills
- Mathematical skills
- Organisational skills

## WHICH CAREER PATHWAYS EXIST AFTER STUDYING THIS SUBJECT?

The BTEC Diploma in Business provides a route to employment into the many diverse areas of business. These could include: roles in specialist areas such as management, marketing, finance, customer service or human resources in large organisations. When combined with other qualifications, the BTEC Diploma is also a route of entry into university.

## WHICH SUBJECTS COMPLEMENT THIS COURSE?

- Computing
- Mathematics
- Media Studies
- Sport

# Chemistry

TYPE OF QUALIFICATION	AQA A Level Chemistry
LEVEL OF ENTRY	5+ 9-4 passes at GCSE, preferably with a grade 6-6 in Combined Science or 2 grade 6s in Triple Science including a grade 6 in Chemistry and a grade 6 in Mathematics
METHOD OF ASSESSMENT	Written examination and practical endorsement
LENGTH OF COURSE & NUMBER OF LESSONS PER CYCLE	2 year A Level, with 5 lessons per week

## COURSE STRUCTURE:

Year covered	Unit	Title
Year 12	Unit 1	Physical Chemistry
Year 12	Unit 2	Inorganic Chemistry
Year 12	Unit 3	Organic Chemistry
Year 13	Unit 1	Physical Chemistry
Year 13	Unit 2	Inorganic Chemistry
Year 13	Unit 3	Organic Chemistry

## WHICH SKILLS WILL YOU ACQUIRE?

- Problem solving
- Application of mathematical techniques
- How to present data
- Ability to evaluate & draw conclusions from data
- Practical techniques

## WHICH CAREER PATHWAYS EXIST AFTER STUDYING THIS SUBJECT?

- Doctor/dentist/vet
- Forensics
- Pharmacology
- Biochemistry
- Toxicologist

## WHICH SUBJECTS COMPLEMENT THIS COURSE?

- Mathematics
- Biology
- Physics
- Psychology

# Computing: BTEC Level 3 Extended Certificate

TYPE OF QUALIFICATION	Edexcel BTEC Level 3 Extended Certificate in Computing 1 A Level equivalent
LEVEL OF ENTRY	5+ 9-4 passes at GCSE, preferably with a Merit in BTEC ICT at Level 2 or a grade 5 in GCSE Computer Science
METHOD OF ASSESSMENT	Written examination and coursework
LENGTH OF COURSE & NUMBER OF LESSONS PER CYCLE	2 years, with 5 lessons per week

## COURSE STRUCTURE:

Level	Unit	Title	Guided Learning Hours
Level 3	Unit 1	Principles of Computer Science	120
Level 3	Unit 2	Fundamentals of Computer Systems	90
Level 3	Unit 7	IT Systems Security and Encryption	90
Level 3	Unit 10	Human-computer Interaction	60

## WHICH SKILLS WILL YOU ACQUIRE?

- The ability to learn independently
- The ability to research actively and methodically
- To be able to give presentations and be active group members
- Reading technical texts
- Effective writing
- Analytical skills

## WHICH CAREER PATHWAYS EXIST AFTER STUDYING THIS SUBJECT?

This is a one A Level equivalent course is an ideal route in to IT and Computer Science. This course goes provides a wide area of studies into the IT industry; covering technical as programming, Cyber Security and Incident Management and creative aspects such as Computer games Development.

Upon completion of this course you can either further your learning at University or jump straight in to employment. Computing is also well regarded in other academic subjects such as law, the sciences and medicine as it teaches logical and deep thinking.

## WHICH SUBJECTS COMPLEMENT THIS COURSE?

- Business
- Computing
- Mathematics

# Computing: BTEC Level 3 Diploma

TYPE OF QUALIFICATION	Edexcel BTEC Level 3 Diploma in Computer Science 2 A Level equivalent
LEVEL OF ENTRY	5+ 9-4 passes at GCSE, preferably with a Merit in BTEC ICT at Level or a grade 5 in GCSE Computer Science
METHOD OF ASSESSMENT	Written examination and coursework
LENGTH OF COURSE & NUMBER OF LESSONS PER CYCLE	2 years, with 10 lessons per week

## COURSE STRUCTURE:

Level	Unit	Title	Guided Learning Hours
Level 3	Unit 1	Principles of Computer Science	120
Level 3	Unit 2	Fundamentals of Computer Systems	90
Level 3	Unit 3	Planning and Management of Computing Projects	120
Level 3	Unit 5	Building Computer Systems	60
Level 3	Unit 6	IT Systems Security and Encryption	90
Level 3	Unit 10	Human-computer Interaction	60
Level 3	Unit 15	Website Development	60
Level 3	Unit 18	Relational Database	60
Level 3	Unit 22	Systems Analysis and Design	60
Level 3	Unit 24	Software development	60

## WHICH SKILLS WILL YOU ACQUIRE?

- The ability to research actively and methodically
- To be able to give presentations and be active group members
- Reading technical texts
- Analytical skills

## WHICH CAREER PATHWAYS EXIST AFTER STUDYING THIS SUBJECT?

This is a two A Level equivalent course is an ideal route in to IT and Computer Science. This course goes provides a wide area of studies into the IT industry; covering technical as programming, Cyber Security and Incident Management and creative aspects such as Computer games Development.

## WHICH SUBJECTS COMPLEMENT THIS COURSE?

- Business
- Computing
- Mathematics

# Core Mathematics

TYPE OF QUALIFICATION	AQA Level 3 Certificate in Mathematical Studies 1 AS Level equivalent
LEVEL OF ENTRY	5+ 9-4 passes at GCSE, preferably with a grade 5 in Mathematics and a grade 4 in English Language
METHOD OF ASSESSMENT	100% written examination
LENGTH OF COURSE & NUMBER OF LESSONS PER CYCLE	2 years with 3 lessons per week

## COURSE STRUCTURE:

Level	Unit	Title	Grade Weighting
AS Level	Paper 1	Compulsory Content	50%
AS Level	Paper 2	Option Paper (one of the following) <ul style="list-style-type: none"> <li>• 2A: Statistical Techniques</li> <li>• 2B: Critical Path and Risk Analysis</li> <li>• 2C: Graphical Techniques</li> </ul>	50%

## WHICH SKILLS WILL YOU ACQUIRE?

- Problem-solving
- Deductive reasoning
- Numerical reasoning
- Abstract thought
- Critical analysis
- Data analysis

## WHICH CAREER PATHWAYS EXIST AFTER STUDYING THIS SUBJECT?

- Business
- Accounting
- Biology/biochemistry
- Psychology
- Medicine & nursing
- Forensics

## WHICH SUBJECTS COMPLEMENT THIS COURSE?

- The sciences
- Psychology
- Computing
- Geography

# Design and Technology

TYPE OF QUALIFICATION	Edexcel A Level Design and Technology
LEVEL OF ENTRY	5+ 9-4 passes at GCSE, preferably with a grade 5 in DT and Maths
METHOD OF ASSESSMENT	Coursework and written examination
LENGTH OF COURSE & NUMBER OF LESSONS PER CYCLE	2 years, with 5 lessons per week

## COURSE STRUCTURE:

Level	Unit	Title	Grade Weighting
A Level	Component 1: exam	Principles of D&T.	50%
	Component 2: non-examined assessment (coursework)	Practical application of technical principles, designing and making principles and specialist knowledge.	50%

## WHICH SKILLS WILL YOU ACQUIRE?

- Knowledge and understanding of different areas in D&T (engineering, illustration, product, furniture design etc).
- Ability to analyse products and work by other designers at a more advanced level.
- Knowledge and understanding of materials and processes at a more advanced level.
- Learn and develop design and making skills required for design based courses at university.

## WHICH CAREER PATHWAYS EXIST AFTER STUDYING THIS SUBJECT?

- Engineering
- Graphic designer
- Illustrator
- Architect
- Product designer
- Furniture designer
- Teaching
- Stage and set design
- Stage and film prop design and making

## WHICH SUBJECTS COMPLEMENT THIS COURSE?

- Art
- Mathematics
- Science (especially physics for engineering)
- Performing Arts

# Economics

TYPE OF QUALIFICATION	AQA A Level Economics
LEVEL OF ENTRY	5+ 9-4 passes at GCSE, preferably with a grade 6 in English and Mathematics
METHOD OF ASSESSMENT	Written examinations
LENGTH OF COURSE & NUMBER OF LESSONS PER CYCLE	2 year A Level, with 5 lessons per week

Level	Title	Grade Weighting
A Level	Paper 1: Markets and market failure	33.3%
A Level	Paper 2: National and international economy	33.3%
A Level	Paper 3: Economic principles and issues	33.3%

## WHICH SKILLS WILL YOU ACQUIRE?

Students develop the knowledge and skills needed to understand and analyse data, think critically about both microeconomic and macroeconomic issues and make informed decisions. They will also build upon their quantitative skills and appreciate that, when evaluating arguments, both qualitative and quantitative evidence are important.

## WHICH CAREER PATHWAYS EXIST AFTER STUDYING THIS SUBJECT?

- Economist
- Economic researcher
- Financial risk analyst
- Data analyst
- Financial planner
- Financial consultant
- Accountant
- Investment analyst

## WHICH SUBJECTS COMPLEMENT THIS COURSE?

- Geography
- Mathematics
- Psychology
- Sociology

# English Literature

TYPE OF QUALIFICATION	Edexcel A Level English Literature
LEVEL OF ENTRY	5+ 9-4 passes at GCSE, preferably with grade 6 in both English Literature and English Language
METHOD OF ASSESSMENT	80% written examination, with 20% coursework
LENGTH OF COURSE & NUMBER OF LESSONS PER CYCLE	2 year A Level, with 5 lessons per week

## COURSE STRUCTURE:

Level	Unit	Title	Grade Weighting
A Level	Component 1	Drama	30%
A Level	Component 2	Prose	20%
A Level	Component 3	Poetry	30%
A Level	Component 4	Coursework	20%

## WHICH SKILLS WILL YOU ACQUIRE?

- Analysis of texts: language, form and structure
- An appreciation of plurality of perspective in literature
- A richer understanding of the significance of historical and literary contexts
- An understanding of how different theoretical perspectives (e.g. Marxist, feminist, etc.) influence interpretations of texts
- How to think critically and justify your views, marshalling an effective argument
- Ability to write with precision, coherence and clarity of expression.
- Ability to use secondary reading to aid and develop interpretation.

## WHICH CAREER PATHWAYS EXIST AFTER STUDYING THIS SUBJECT?

- Law
- Education
- Journalism and the media
- Communications and public relations
- Entertainment and creative industries
- Politics, civil service, and local government

## WHICH SUBJECTS COMPLEMENT THIS COURSE?

- History
- Religious studies
- Geography
- Modern foreign languages
- Psychology
- Performing Arts
- Film Studies
- Media Studies

# Extended Project Qualification (EPQ)

TYPE OF QUALIFICATION	Freestanding qualification worth up to 28 UCAS points
LEVEL OF ENTRY	Targeted at high achieving students at GCSE, preferably with 6+ grades across subjects
METHOD OF ASSESSMENT	5000 word written report or produce an artefact plus a 1000 word written report
LENGTH OF COURSE & NUMBER OF LESSONS PER CYCLE	30 guided learning hours in total, plus additional independent research by the student

## **COURSE STRUCTURE:**

- 30 guided learning hours – taught element
- 120 guided learning hours – independent research working with a supervisor

## **WHICH SKILLS WILL YOU ACQUIRE?**

- Time management
- Problem solving
- Critical analysis of sources
- Constructing logical arguments
- Decision making, reflection, planning, critical thinking
- Creativity and tenacity
- Ethical practices

## **WHICH CAREER PATHWAYS EXIST AFTER STUDYING THIS SUBJECT?**

- Entry into the Russell Group of universities
- Any which require project development and execution, resilience and perseverance

## **WHICH SUBJECTS COMPLEMENT THIS COURSE?**

- The EPQ exists for all, no specific subject combinations

# Film Studies

TYPE OF QUALIFICATION	OCR A Level Film Studies
LEVEL OF ENTRY	5+ 9-4 passes at GCSE, preferably with a grade 6 in English Language / Literature
METHOD OF ASSESSMENT	70% written examination and 30% coursework
LENGTH OF COURSE & NUMBER OF LESSONS PER CYCLE	2 year A Level, with 5 lessons per week

## COURSE STRUCTURE:

Level	Unit	Title	Grade Weighting
A Level	Unit 1	Film History (examination)	35%
A Level	Unit 2	Critical Approaches to Film (examination)	35%
A Level	Unit 3	Making Short Film (non-examination assessment)	30%

## WHICH SKILLS WILL YOU ACQUIRE?

- Research skills in the history of European and US film
- Analytical skills when 'reading' for meaning in film
- Critical thinking when evaluating auteurism and viewing experience in contemporary cinema
- Resilience and independence when conceiving, planning and producing your own short film
- Practical skills in the production of a short film, using specialist equipment and digital editing software

## WHICH CAREER PATHWAYS EXIST AFTER STUDYING THIS SUBJECT?

- Film Production
- Film criticism and journalism
- Creative industries, marketing and advertising

## WHICH SUBJECTS COMPLEMENT THIS COURSE?

- Media Studies
- English Language and/or Literature
- History
- Art
- Performing Arts

# Further Mathematics

TYPE OF QUALIFICATION	Edexcel A Level Further Mathematics
LEVEL OF ENTRY	5+ 9-4 passes at GCSE, with grade 8 in Mathematics. Students wishing to study Further Mathematics must also study A level Mathematics
METHOD OF ASSESSMENT	100% written examination
LENGTH OF COURSE & NUMBER OF LESSONS PER CYCLE	2 year A Level, with 10 lessons per week

## COURSE STRUCTURE:

Level	Unit	Title	Grade Weighting
A Level	Paper 1	Core Pure Mathematics 1	25%
A Level	Paper 2	Core Pure Mathematics 2	25%
A Level	Paper 3	Further Mathematics Option 1 – one of: <ul style="list-style-type: none"> <li>• Further Pure Maths 1</li> <li>• Further Mechanics 1</li> <li>• Further Statistics 1</li> <li>• Decision Mathematics 1</li> </ul>	25%
A Level	Paper 4	Further Mathematics Option 1 – two of: <ul style="list-style-type: none"> <li>• Further Pure Maths 2</li> <li>• Further Mechanics 1 or 2</li> <li>• Further Statistics 1 or 2</li> <li>• Decision Mathematics 1 or 2</li> </ul>	25%

## WHICH SKILLS WILL YOU ACQUIRE?

- Problem-solving and deductive reasoning
- Numerical reasoning
- Abstract thought
- Critical analysis and data analysis

## WHICH CAREER PATHWAYS EXIST AFTER STUDYING THIS SUBJECT?

- Accounting
- Teaching
- Finance and wealth Management
- Engineering
- Natural sciences
- Software engineering and games development

## WHICH SUBJECTS COMPLEMENT THIS COURSE?

- Computing
- Further Mathematics
- Psychology
- Sciences

# Geography

TYPE OF QUALIFICATION	Edexcel A Level Geography
LEVEL OF ENTRY	5+ 9-4 passes at GCSE (including English and Mathematics), preferably with a grade 6 in Geography
METHOD OF ASSESSMENT	A Level written examination 80% and coursework (fieldwork investigation) 20%
LENGTH OF COURSE & NUMBER OF LESSONS PER CYCLE	2 year A Level, with 5 lessons per week
